## Meridel LeSueur Conference Room

**African  
Development  
Center** of Minnesota

The Meridel LeSueur Conference room is a dynamic room that can host a multitude of events. Named after the late writer, activist, and Minnesota native, the room can be customized to tailor to the unique needs of each group. Whether it is a lecture, meeting, class, event, or training venue – the space can be transformed to meet your needs.

Groups that reserve the Meridel LeSueur Conference Room can also enjoy ADC's brilliant gallery. We feature innovative and one-of-a-kind art pieces that are inspired by the plethora of dynamic cultures stemming from the global African Diaspora. The gallery's regular operating hours are Monday through Friday from 9:00 a.m. to 5:00 p.m., but the gallery is also open based on the Meridel LeSueur Conference Room's bookings.

The African Development Center works within the new American communities of Minnesota to start and sustain successful businesses, build wealth, and promote community reinvestment. Today, ADC is among the most active community development corporations in the country, and continues to promote upward mobility and uplift communities from struggle.
